

## ***CLIENT PROTECTION STANDARDS***

---

### **General Liability Insurance**

This important protect you and your assets from accidental damage. It provides protection against damage to property that our employees may be directly working on and for which we may be held legally liable.

### **Property Damage Coverage**

Our insurance coverage goes beyond to protect your property from theft and mysterious disappearance for which we are legally liable.

### **Misplaced Key Coverage**

Should we be held legal responsibility for any key for a building in which we are servicing and it is lost or misplaced, this coverage provides our clients with a service to have the building completely re-keyed as necessary.

### **Fidelity Bonded**

In the event that one of our employees steals with established irrefutable proof our bond will respond to our legal accountability up to a maximum of \$100,000 per incident.
